## Course Superintendent Resigns

At the October meeting the Committee regrettably accepted the resignation of Superintendent Andrew Bowles.

Andrew has done a fantastic job over his 5 years at the club working with tight budgets due to the drought.

He has fostered and encouraged volunteer members, had good working relations with staff, Greens committee, general committee and the members.

Andrew is heading off to Coffs Harbour to further his career.

The club wish Andrew, Meredith and family all the best in their move.

## Appointment of Glen Frewin

Assistant Superintendent Glen has been appointed Superintendent on a trial for 6 months starting December 1 with 100% support from committee.

The committee has full confidence in Glen and wishes him well.

Through golf, trading tables, the champagne luncheon and the sale of their recipe books they raised in the vicinity of \$2500

A fantastic effort.

There are still recipe books for sale over the bar

## Water for 2009 / 10

The club is now in the process of securing water for the 2009 / 10 summer period.

Thanks to Graeme Rooke it seems as if we will be able to purchase 30ml to put in the water bank.

This year thanks to all who contributed to the water levy we will have sufficient water to allow the watering of greens, surround and tees.
