## Presidents August 2011 Report

Congratulations to Loretta Prowse, Helen Martin and Maureen Grogan on winning the respective A,B & C Grade championships. Well done John Randles for taking out the August Monthly Medal.

Many thanks to the Social Club and the entertainers who contributed in making the Xmas in July a great evening enjoyed by all who attended. Well done Social Club over the past 12 months

Fantastic to see past President and long term member during early years, Tony Lindrea, playing again.

With the Tournament in progress at the time of my report, thanks must be given to Staff and all the volunteers who recently assisted with the course presentation or assisted around the Clubhouse.

It would certainly be remiss if a special thank you from all of us ( members and Committee ) was not extended to retiring Treasurer John Murdoch. The Club has been most fortunate during the past 4 difficult years to have available details and excellent supportive documentation of the Clubs finances, with recommendations which have been invaluable to assist with our decision making.

Many thanks from all of us John.

John has indicated he will remain on Committee to support Lesley Elvey who has kindly indicated her willingness to take on this very demanding roll of Treasurer, thank you and good luck Lesley.

Appreciation is also extended to Ian and Irene for the great work they carried out in their respective Captains rolls over past years, appreciation is also extended to Peter Elvey and Kaye Osterfield for taking on these vacated positions.

I also take the opportunity to thank all members of the Committee for their assistance and contribution to the overall management of the Club during the year and look forward to a promising year ahead.

*Members please make an effort to repair pitch and divot marks and familiarise yourselves with some of the basic rules of golf to ensure we all continue to enjoy each others company.*
